

# HolyHell, Resurrection

I ran too far  
fought too hard and lived too fast  
broke me down, tore me up  
So I buried myself  
deep down in the blackest hole  
ther I slept, There I wept  
(all) these tears I shed  
slowly healed my bleeding soul  
(it) takes a fall to rise again  
Inside of me  
I'm ready to grow young again  
start the fire in this heart of ice

The time is right for me again so lift your eyes up to the sky  
You'll see me dancing on the winds again

No more tears for me  
Sweet flame come for me  
bring life to empty eyes

Tears from heaven fall  
the fallen angels dance before my eyes  
as I reach out from this womb  
God save this world  
I will walk upon it again  
I will breathe, I will live

The time is right for me again so lift your eyes up to the sky  
You'll see me dancing on the winds again

No more tears for me  
Sweet life come unto me  
I will be once again
