

Home And Away Theme Song, Home And Away

Home and Away theme song-
'Home and Away.'

you know we belong together,
you and I forever and ever.
No matter where you are,
you're my guiding star.

And from the very first moment I saw you
there was such emotion
I'm walking on air,
just to know (Just to know)
You are there (You are there)

Chorus:
Hold me in your arms
Don't let me go
I want to stay forever
Closer each day....
Home and away...
