

# Home Grown, Impotency

Impotency really sucks.  
I don't know why I can't get it up.  
All of my friends make fun of me.  
"Hard to ejaculate! Easy to pee!"  
I'm flaccid and limp. I can't get an erection.  
There must be something wrong with me.  
I will never get laid.  
I've got a penis infection.  
There must be something wrong with me!!  
impotency impotency  
oh, yea yea, impotency

I went to my doctor the other day,  
He asked me if I was straight or gay.  
That's not the problem can't you see,  
I've got a case called impotency.  
I'm flaccid and limp. I can't get an erection.  
There must be something wrong with me.  
I will never get laid.  
I've got a penis infection.  
there must be something wrong with me  
impotency, impotency
