

# Home Grown, Let Go

Why be concerned  
With things that you don't have control of her  
What good is it to worry  
When you never really know what's going to happen

woah woah woahwoa woah....

CHORUS:

Tomorrow's just another day  
You'll find your way  
You'll be ok  
You just have to learn to let go

...  
let go

When things get you down  
Should you look back  
Dont turn your head around  
And take it one thing at a time  
Dont plan ahead or around  
Did u forget to ??

CHORUS 2x
