

Home Grown, Piss Off

Abuse me with all of your words
But tell me something I haven't heard
You think that you're better than me
I won't listen to anything that you say

Prechorus:
Don't tell me what you think is right
I didn't ask for your advice

Chorus:
Why don't you shut up And get away from me
I can do anything I please
I've heard you say it a thousand times before
It's something I ignore The things you say to me

Degrade me by calling me names
According to you I am nothing
I know that you're not better than me
So piss off and get out of my face

Prechorus

Chorus

Me, Me
