

# Home Grown, Promise Breaker

Why do you build me up and then break me down?  
Why don't you just come through?  
You know that I can't get by on promises you never should have made  
I'm holding on, but not for long if you don't make a change.  
Why do you build me up and then break me down?  
Why don't you just come through?  
I'm not sure how much longer I can take this.  
If you can't do what you say, I'm leaving you  
Sometimes love is not enough.  
Your good intentions are losing their intent  
I'm waiting for something more that might not ever come  
You're losing me...
