

Home Grown, This Way

Here we are again
The same old argument
We've had so many times
Things never work out right one step forward
There's always two steps back
You won't admit you're false to keep your pride intact.

Oi oi oi. bring me down
Here we are again
Patience is wearing thin you won't admit you're wrong
You just keep holding on
One step forward there's always two steps back
You won't admit you're false to keep your pride intact
I wish it didn't have to be this way
I wish it didn't have to be this wayyyy.

I've tried so hard to make things right
But nothing's really changed
I wish it didn't have to be this way.
What keeps me holding oooooon.
