

Home Grown, Wanna-Be

Here's a story about a girl who thinks she's so fuckin cool.
The dumb bitch don't make much sense, she tries to be different.
When a band becomes a trend she acts like she's the biggest fan.

She's just a spoiled bitch, her dad is so filthy rich.
Dont ask me why I think you're lame.
You and your friends all dress the same.
Your tiny tits don't smuther me.
You're just a fucking wanna-be.

She's is an anti-prep, she thinks she's alternative.
She just wants to fit in by smoking her cigarettes.
She's always talking shit because she is a six foot bitch.

When a band becomes a trend, she acts like she's the biggest fan.
You're not punk, you're not ska, you try to be something you're not...
You're not grunge, you're not rock, you try to be something you're not.
