

# Home Town Hero, Hell Of A Guy

Lend me a shoulder  
Over and over  
I'm a misunderstanding  
So why aren't you laughing  
Do do do do do do do do do

I'm just a hell of a guy  
I bet you're wondering why  
You haven't heard of my name  
But now I pay on my way

How did I hurt you  
Look what I went through  
Oh, my head wasn't working  
I couldn't salute you  
Do do do do do do do do do

I'm just a hell of a guy  
I bet you're wondering why  
You haven't heard of my name  
But now I pay on my way  
I'm just a hell of a guy  
No matter how hard I try  
I got a lot to say  
You never feel quite the same

Do do do do do do do do do  
Do do do do do do do do do

I'm just a hell of a guy  
I bet you're wondering why  
You haven't heard of my name  
But now I pay on my way  
I'm just a hell of a guy  
No matter how hard I try, ya  
I got a lot to say  
You never feel quite the same
