

Home Town Hero, Questions

Everyone is made to break some
but it's already happened today
so sing it fast, and sing it with the right tone
or end up like another hero dead

[chorus:]

We're waiting for answers that nobody knows
we started to follow so long ago
cause i've been waiting
and i've been waiting
waiting for answers that nobody knows

everyone is made to break some
and it already happened today
so kill it fast and kill it while you don't know
or end up like a hero dead

[chorus]
