

Home Town Hero, Riley Joe

she stands about 5'3 1/2" and she knows
exactly how to make me laugh out loud
without trying, whoa her name is riley jo

[chorus:]

i dont know where you are
but i know youre there
you might be just a dream
but i still don't care, yeah

i've met so many girls that all look beautiful
but they don't look like you
they can't look like you
thats why i wait, wait for
whoa, her name is riley jo

[chorus]
