

# Home Town Hero, Who's To Say

It was amazing watching you  
all of the things that you could do  
you changed the world before my eyes  
and fucked them with a big surprise

[Chorus:]

So who's to say you never cared  
all your life was caught in a glare  
so hey, la la la la  
hey, la la la la

so who's to say you never cared  
all your life was caught in a glare  
so hey, la la la la la  
hey, la la la la

It was amazing watching you  
you stole the show for a year or two  
I want to thank you for your time  
would you care if i shine

[chorus]

you said it  
i bought it  
the others went away  
you said it  
i bought it  
the others went away

[chorus]
