Home Town Hero, Who's To Say

It was amazing watching you all of the things that you could do you changed the world before my eyes and fucked them with a big surprise

[Chorus:] So who's to say you never cared all your life was caught in a glare so hey, la la la la hey, la la la la

so who's to say you never cared all your life was caught in a glare so hey, la la la la la hey, la la la la lt was amazing watching you you stole the show for a year or two I want to thank you for your time would you care if i shine

[chorus]

you said it i bought it the others went away you said it i bought it the others went away

[chorus]
