

Honestly, Nine 'til Midnight

I lie awake and wait for sunrise
There'll be no sleep tonight
Surrounded by your sweetness
And dizzy from your smile
Only hours are between us
I guess I'll be here for a while
'Cause I hope for you hopelessly
And hold on to the memory
Of you and I and the starlit sky
We walked the streets from nine 'til midnight
For a moment I just left it all behind
We walked the streets from nine 'til midnight
I'd give anything to feel it one more time
One more time
I blinked and it was over
I wish I'd never said goodbye
'Cause I hope for you hopelessly
And hold on to the memory
Of you and I and the starlit sky
We walked the streets from nine 'til midnight
For a moment I just left it all behind
We walked the streets from nine 'til midnight
I'd give anything to feel it one more time
One more time
Yeah...
I can't save this
Am I faithless?
I can't save this
Am I faithless?
I hope for me hopelessly
And hope that someday there will be
A you and I and a starlit sky
We walked the streets from nine 'til midnight
For a moment I just left it all behind
We walked the streets from nine 'til midnight
I'd give anything to feel it one more time
One more time
Sha-la-la-la-la-la-la
Sha-la-la-la
One more time
Sha-la-la-la
One more time with you
(From nine 'til midnight)
(From nine 'til midnight)
(From nine 'til midnight)
(From nine 'til midnight)
