

# Honey Cocaine, Curveball

Tell this beach I swerve  
Every thot nigga gettin' curved  
That niggas the worst.  
Cant buy my trust with a perf  
Got to learn to swim  
But you surf  
Put it on a terf  
These motherfuckers got nerve  
You can get murked on the curve  
Dont be actin observe  
I aint mean saying no words  
I just do my thing like like  
Pussy ass nigga with a stank breath  
Spendin all your money on hoes  
Aint got a thang left  
You wing niggaz on the same flex  
And them boys get swerved  
Cause I just cant stress  
And your girl whip  
Tryin to split gang  
Actin all crazy for some shit thing  
You at the club in the same outfit  
Came with the same loud beach  
Nigga aint about sheet

Nigga gettin on ya nerve  
Kick his ass with a curve  
Hit his ass with a curve  
Tell that beach nigga swerve  
Kick his ass with a curve  
Hit him fast with a curve

Tryin to talk as a curve ball  
He dont stop  
Throw a curve ball  
You can get it dropped by a curve ball
