

Honey Is Cool, Buildings

We can build another,
like last time we were
We can build another,
like last time we were young
2x

But they're coming on strong

He saw the other and he thought they'd go far
2x

But they're coming on strong

He's coming very often
and he does it wrong
and he squeezed her little finger
the man did her harm
2x

They take one for the money,
they take two for the show
now why don't you just take her with you and go?
2x

But they're coming on strong

He's coming very often
and he does it wrong
and he squeezed her little finger
the man did her harm
