

Honey Is Cool, Return Home

The darker part of me again,
leaving while sleeping
making you far away

The dark caught up with me again
I tried to leave while you were sleeping,
it has never been this far away

Wouldn't it be great if we were lovers?
Then I wouldn't have to wait this long

Wouldn't it be great if we were lovers?
But when the night comes -
I will return home

Making friends,
I'll try to leave while you are sleeping
making you far away

Wouldn't it be great if we were lovers?
Then I wouldn't have to wait this long

Wouldn't it be great if we were lovers?
But when the night comes -
I will return home
