

Honey Is Cool, You're A Horse

You're a horse 'cause he bought you
You're a horse 'cause he bought you

You look old and youre lonely - aha
You look old and youre lonely - aha

Because I took him away from you
Didn't I?
Didn't I?
Didn't I?

Oh yes I did!

I'll bite your cheek if you ever..
I'll bite your cheek if you ever -
if you ever

Because I took him away from you
Didn't I?
Didn't I?
Didn't I?

Oh yes I did!
