

# Honeydogs, Donna's

Donna's seven  
Donna's seven  
Alone until eleven  
Waiting waiting  
Spider webs in the corner  
Does anyone adore her  
Fly in water  
Youngest daughter  
Waiting, waiting

Get it right now Donna get it right  
We're waiting patiently for you  
The coffee can beneath the sink  
Nigh time hold her mother's urine stink  
Donna's seven  
Donna's seven  
Alone until eleven
