(Chu chu)

Summertime (summertime baby)

In the street (chu chu nice)

I've got the bag full of funk

Get down cos beats are kickin'

Ridin' the loop hooch Barcardi twistin' sippin'

Park hanging gold Jimmy dangling

Sound banging can buzz with the man in

Kids scream chocolate ice cream

Summertime dream, yeah you know what I mean

(That's right)

So much fun, barbecue in the sun

Cos me and the girls keep the vibe 'till were done

Summertime (to ho)

In the street (in the streets, that's right)

Everybody (chu, chu)

Everybody knows what's goin' down (nice)

Just you and me

(Just you and me baby, I wouldn't lie to you)

Summertime (summertime, chu, chu)

In the street

(Were gettin' love in the streets, ya know what I mean?)

Everybody (chu, chu, nice)

Everybody knows what's goin' down

It's you and me

Summertime, Summertime, Summertime

(Hey y'all c'mon)

Sunshine for your peace of mind

So many colours of the benzos

Cruisin' down the front line

Summer madness you've got to have this

No questions so don't bother to ask this

Green grasses, blue sky the plane passes

Warm breezes, holidays and visas

Once a year, make it more if you could

So it's all good summertime

In your neighbourhood

(Huh, huh)

Summertime (c'mon)

In the street

(You don't stop, you don't quit, huh huh)

Everybody (chu, chu, nice)

Everybody knows what's goin' down

(That's right)
