

Honeyz, Wonder No. 8

(Wonder number eight)
(Wonder number eight)
(Wonder number eight)

I don't know if I can name
The seven wonders of the world
'Cause cutting class was my major
Back in high school
I've seen the towers and the temples
Taj Mahal and Golden Gate
But there's only one wonder that blew me away
I've never been one who's been moved easily
But the love that you gave me
Brought me to my knees

(Wonder number eight)
Baby, I believe
(Wonder number eight)
You're the soul of me
(Wonder number eight)
If you wonder
(Wonder number eight)
Baby, it's you.

When God created you
He made a masterpiece
His greatest work of art, without exception
The fire of Da Vinci, and the grace of Matisse
Not just another wonder, but perfection
It may not be written in history books
'Cause your love is the wonder
That they overlooked

(Wonder number eight)
Baby, I believe
(Wonder number eight)
You're the soul of me
(Wonder number eight)
If you wonder
(Wonder number eight)
Baby, it's you.
Baby, baby, baby, it's you.

I've never been one who's been moved easily
Oh no
But the love that you gave me
Brought me to my knees.

(Wonder number eight)
Baby, I believe
(Wonder number eight)
You're the soul of me
(Wonder number eight)
If you wonder who
(Wonder number eight)
Baby, it's you.

(Wonder number eight)

Baby, I believe
(Wonder number eight)
If you wonder who
(Wonder number eight)
(Wonder number eight)
Baby, I believe
(Wonder number eight)
You're the soul of me
(Wonder number eight)
If you wonder who
If you wonder
(Wonder number eight)
Baby, baby, baby, it's you
(Wonder number eight)
I believe
(Wonder number eight)
You're the soul of me
