

Honor Society, See U In The Dark

You were always the girl
Who would give me girl advice whenever I needed it
My best friend in the world
My friends thought you were fine but I was always denyin it
Then one summer day
I saw you sitting by your swimming pool
And I was thinking damn you really changed
Youre not the little girl I used to know
You opened up my eyes
I see you walk across my room in
Nothing but the moonlight
Now I love to see you in the dark
See you in the dark
My window, frames you like a Monet
So dont come back to bed yet
Cuz I love to see you in the dark
See you in the dark
Ill never see you the same
The veil has been lifted, now I see youre gifted
My whole perspective has changed
Dont think I can go back cause I will always desire it
Dont take another step
Near me just in case we have regrets
If tomorrow we go back to being friends
Ill think about the way you looked tonight
You opened up my eyes
I see you walk across my room in
Nothing but the moonlight
Now I love to see you in the dark
See you in the dark
My window, frames you like a Monet
So dont come back to bed yet
Cuz I love to see you in the dark
See you in the dark
Maybe if you were someone else
It wouldnt have to feel like this
Im wondering how you feel about me now
Or was it just a friendly kiss
Cause Im seeing you for the first time
I see you walk across my room in
Nothing but the moonlight
Now I love to see you in the dark
See you in the dark
I see you walk across my room in
Nothing but the moonlight
Now I love to see you in the dark
See you in the dark
My window, frames you like a Monet
So dont come back to bed yet
Cuz I love to see you in the dark
See you in the dark
