

Hoobastank, Did You

Did you say everything you could?
Do the things that you thought you would?
Did it ever occur to you that this could be your final day?
Did you go where you wanted to go?
Learn about what you wanted to know?
Did you ever really give something back instead of always taking in?

Did you find what you're looking for?
Did you get your foot in the door?
Can you look at yourself and feel proud of all the things you've done?
Did you inspire the ones that you knew?
Make a difference to those who knew you?
Did you finally figure out what it is that makes us who we are today?

[Chorus:]
Don't waste another day
You never know when you'll get one
Don't waste another day
To do anything you haven't done

Did you always give it your best?
Is there anything you regret?
If you could have another shot at it all,
Would you do it just the same?

Was it all that you thought it could be?
Are you the person you thought you would be?
Or did it feel like you were spinning your wheels,
Instead of moving forward everyday?

[Chorus (2x)]
Don't waste another day
You never know when you'll get one
Don't waste another day
To do anything you haven't done

Did you? [4x]

[Chorus (2x)]
Don't waste another day
You never know when you'll get one
Don't waste another day
To do anything you haven't done

Did you? [8x]
