

# Hoobastank, Let It Out

This is ours, we made it with our everything  
Something real, as real as it could ever be  
You gave me all of yourself, I gave you all of me  
Now set it free from yourself, for everyone to see

I'm not afraid to let it out  
I'm gonna show you how I feel  
I'm not afraid to let it out  
(who cares if you dont like it)  
(if you don't like it)

Go ahead, you know just what you want to do  
Don't deny, you feel cause I feel it to  
Take a look all around, you'll feel it in the air  
From the sky to the ground, I feel it everywhere

I'm not afraid to let it out  
I'm gonna show you how I feel  
I'm not afraid to let it out  
(who cares if you dont like it)  
I'm not afraid to let it out  
I'm gonna show you how I feel  
I'm not afraid to let it out  
To let it out  
(who cares if you don't like it)  
(who cares if you don't like it)  
(who cares if you don't like it)  
(who cares if you don't like it)

This is ours, we made it with our everything  
Something real, as real as it could ever be  
You gave me all of yourself, I gave you all of me  
Now set it free from yourself, for everyone to see

I'm not afraid to let it out  
I'm gonna show you how I'm free  
I'm not afraid to let it out  
(who cares if you dont like it)  
I'm not afraid to let it out  
I'm gonna show you how I'm free  
I'm not afraid to let it out  
To let it out  
To let it out  
To let it out  
(who cares if you don't like it)  
(if you don't like it)  
(if you don't like it)
