

Hoobastank, Let You Know

I just thought that I'd let you know
That although I'm far
I'm close to you within
And all the time spent by your side
Is taken deep in me
Held for me to keep
To look upon when I'm feeling like
Everything and one
Is hurting me for something or other
It takes me to a better place
Nowhere I'd rather go
Thought I'd let you know
Who you are
What you do
Makes me burn to be in you
Who you are
And what you do
I'm burning to be in you
I just thought that I'd let you know
Being near you is
A gift I only wish I could treasure
But for now I'll sit and wait
I'm still burning though
Thought I'd let you know
Who you are
What you do
Makes me burn to be in you
Who you are
What you do
I'm burning to be in you
Thought I'd let you know
Feels like I'm falling
I'm all on my own
Thought I'd let you know
It feels like I'm falling
I'm all on my own
Thought I'd let you know
Who you are
And what you do
Makes me burn to be in you
Who you are
And what you do
I'm burning to be in you
