Hoobastank, This Is Gonna Hurt

I've been living for too long With a feeling something's wrong Like a thorn stuck in my side Just out of reach for me to pull it out Now the picture's crystal clear I can see that the end is near We no longer to have pretend All things have got to come to an end

This is gonna hurt This is gonna hurt you This is gonna hurt you More than it hurts me. And I don't wanna hurt That's why I'm gonna hurt you That's why I'm gonna hurt you That's how it's gonna be.

And they say what doesn't kill you Well, I'm sure you know the rest If you'd shut up for a second I could get this off my chest Cause I've been though way too much And we've grown so out if touch Now we can't see eye to eye It's time to kiss it goodbye.

This is gonna hurt This is gonna hurt you This is gonna hurt you More than it hurts me. And I don't wanna hurt That's why I'm gonna hurt you That's why I'm gonna hurt you That's how it's gonna be.

This is gonna hurt you That's how it's gonna be This is gonna hurt you

Can't you see the writing on the wall? One more step before I end it all. Closing my eyes, holding my breath, Finish it now, get it over with. Can't you see the writing on the wall? One more step before I end it all. Closing my eyes, holding my breath, Finish it now, get it over with.

This is gonna hurt This is gonna hurt you This is gonna hurt you More than it hurts me. And I don't wanna hurt That's why I'm gonna hurt you That's why I'm gonna hurt you That's how it's gonna be.
