

# HoodCelebrityy, Find My Way Out

No, no  
HoodCelebrityy

When your back's against the wall, you can't trust no one at all  
In a world full of evil, you know they pray for you to fall  
When I'm gone tell my story, have it written on the wall  
I will get the story, a real hood story

Gotta find my way out  
Please hold on tight to me  
Gotta find my way out  
Claim fake promise to me  
Gotta find my way out  
I gotta find the way out  
Gotta find my way out

But these streets don't love you  
But I gotta find my way out, makin' love to money now  
And they tell you "stay humble"  
But I gotta find my way out trapped in the dark now  
It's like my whole life crumble  
But I gotta find way out, the streets don't love you  
Just tryna find my way

Gotta find my way out  
Please hold on tight to me  
Gotta find my way out  
Claim fake promise to me  
I gotta find a way out  
I gotta find a way out  
Gotta find my way out

Mama prayin' for me, prayin' for me  
Every night me go to bed, mama pray for me  
These streets don't love me  
So every night me go to bed, me tellin' mama pray for me, pray for me  
But I gotta find a way out  
Seem like it's no way out  
'Cause everytime I'm turnin'  
Every bridge get burnin'

Gotta find my way out  
Please hold on tight to me  
Gotta find my way out  
Claim fake promise to me  
I gotta find a way out  
I gotta find a way out  
Gotta find my way out

Please hold on tight to me  
Gotta find my way out  
Claim fake promise to me  
I gotta find my way out  
I gotta find my way out  
Gotta find my way out
