## Hooters, All You Zombies

Holy Moses met the Pharoah Yeah, he tried to set him straight Looked him in the eye, "Let my people go!"... Holy Moses on the mountain High above the golden calf Went to get the Ten Commandments Yeah, he's just gonna break 'em in half! All you zombies hide your faces, All you people in the street, All you sittin' in high places, The pieces gonna fall on you No one ever spoke to Noah, They all laughed at him instead Workin' on his ark, Workin' all by himself... Only Noah saw it comin', Forty days and forty nights, Took his sons and daughters with him, Yeah, they were the Israelites! All you zombies hide your faces, All you people in the street, All you sittin' in high places, The rain's gonna fall on you Holy Father, what's the matter? Where have all your children gone? Sittin' in the dark, Livin' all by themselves, You don't have to hide anymore! All you zombies show your faces, All you people in the street, All you sittin' in high places, The pieces gonna fall on you! All you zombies show your faces, (I see you out there!) All you people in the street, (Let's see you!) All you sittin in high places, It's all gonna fall on you!
