

Hooters, Johnny B

Its a sleepless night, shes calling your name.
Its a lonely ride, I know how you want her.
Again and again, youre chasing a dream.
But Johnny my friend, shes not what she seems.
Johnny B. How much there is to see.
Just open your eyes and listen to me.
Straight ahead, a green light turns to red.
Oh, why cant you see. Oh, Johnny B.
And when you drive her home and shes sittin real close.
That she make you weak, well, thats the way that she wants you.
Its strong out again. Shes taking me over.
Weve been here before, why cant you let go.
Johnny B.
And when she calls your name, my sweet Johnny B.
You can drive all night and you know shell be waiting.
To love you again, her kisses are poison.
Forever inside you, wherever you go.
Johnny B.
Johnny B. How much there is to see.
Just open your eyes and listen to me.
Just listen to me.
Straight ahead, a green light turns to red.
Oh, why cant you see. Oh, Johnny B.
Oh, cant you see.
Oh, Johnny B.
Oh, cant you see.
