

Hootie & The Blowfish, Honeyscrew

Fly inside
Feel me dealing
Holding on to a story just told
About a man who's the life of a funeral
Grabbing on to a woman who's soul
He just stole for a dream he don't believe in
Now she sits and she yells for a smile
"Don't let the sun make me feel lonely"
Oh let me in let me in let me in

Is it me
Or is it honey

We all seem to hold
To Something we don't see
Is He here
Is He there
Where does He live
Some people say in the pull of a heartbeat
Some people say in the mind of a stranger
I can't explain what it is I believe in
So take your heart take your mind and escape

Is it me
Or is it honey
Is it me
Or is it honey

Is it me trying to raise your little children
Is it me trying to take your little flame
Why are you trying to steal my judgement day away
Let me scream let me scream let me scream
Don't take it away

Another day in the arms of the real thing
Another day in the eyes of a fool
I called today just to make me feel hopeless
Lie to me and I'll try to believe
