Water falling down a hundred meters Colored by the sun In rainbow colors Paul is driving me around Through fields of light Blinded by the sun Fight the clouds Be an inhaler Have no doubts Let them take you on a voyage to another Let them take you on a voyage to another Let them take you on a voyage to another... (Voiceover) " A new stereophonic sound spectacular... " " We're able to tell, in an instant, where a particular sound is coming " A new stereophonic sound spectacular... " " As I was saying, stereo is full of surprises... "
