

# Hope Of The States, Left

An argument  
An ambulance  
The sound of sirens in my head  
Just like yr singing to me

I don't think this is how it goes  
They tried their best but made you wrong  
You run away but never know what yr running from  
You know it wasn't meant to go like this

What you want yr never gonna get  
Unless you are prepared to be alone  
If you think you've got to have it all  
You've got to be prepared to give it up

You bought a house  
You made a home  
You had some kids  
And got convinced you were doing well  
You said that was the only way to go

So look at yr friends  
Look at us all  
And see how dumb we become when we grow up  
I'm so proud of everyone

What you want yr never gonna get  
Unless you are prepared to be alone  
If you think you've got to have it all  
You've got to be prepared to give it up

What you want yr never gonna get  
Unless you are prepared to be alone  
If you think you've got to have it all  
You've got to be prepared to give it up
