

# Hope Sandoval & The Warm Inventions, Around My Smile

Got me going on again  
Around my smile  
And I've got a thoughtless feeling inside

I've got it going X4  
On...

Got you going on again  
Around my smile  
And I've got a thoughtless feeling inside

Why don't you take a friend  
In the shade  
Somewhere all the minutes stay around

I've got it going on X4  
On...

Got you going on again  
Around my smile  
And I've got a thoughtless feeling inside

I've got it going...X14
