

Hope Sandoval & The Warm Inventions, These Things

I don't think I'll come around
Letting my hair hang down
Making my way through your door
I ain't gonna do that no more

Don't think I'll tell you another time
That you were always looking so fine
Loving me I'm just so right
Keeping me safe in the dark night

Don't think these things
Can be solved easily
Love is what you make it
And I've made my place

Don't feel like saying hello
To all those friends that you know
Keeping my face with a smile
While you keep me down all the while

I ain't gonna come around
Letting my hair hang down
Making my way through your door
I ain't gonna do that no more
