

# Hopewell, Calcutta

And we're living  
In Calcutta  
With one foot in the grave  
And the other  
In the gutter

I bet you dream in black and white  
Sleep quietly and soft at night  
Wake up ready to fight the fight  
I suppose it's easy  
When you're right

And we're living  
In Calcutta  
With one foot in the grave  
And the other  
In the gutter

Pull yourself up to full height  
Enjoy your privilege and birthright  
Ready to rise and fight the fight  
I suppose it's easy  
When you're right

And we're living  
In Calcutta  
With one foot in the grave  
And the other  
In the gutter

And we're living  
In Calcutta  
With one foot in the grave  
And the other  
In the gutter  
In the gutter  
(In Calcutta)  
In the gutter  
(With one foot in the grave)  
In the gutter  
(And the other)  
In the gutter
