

# Horse, Birdo

ahhhhhh!!!!.....eeeeegggs!!!!!!  
Bird..... OOOOOOOOOOOOOO!!!

The geek, with no beak:  
He's so weak he cannot speak!  
The geek, with no beak:  
He's so weak he cannot speak!

Vestigial wings  
And dwarven legs.  
A semper fi cranium  
That's got automatic eggs.  
His gaping maw  
Is geared to spew.  
He just might be a she  
So Birdette will do!!

Go eat your eggs!  
Force fed, force fed.  
Go eat your eggs!  
Out of his mouth-  
Straight at your head!!

With purple pants,  
(They start to tear)  
I reach out with all my might to  
Poke out an eye.  
I poke out an eye!  
I poke out an eye!

My seven year old smile:  
Vanishing!  
Eggs,  
Why eggs?!  
It's breaking my heart.  
It's hurting my nose.  
It's turning my skin green!  
Why did you have to be so mean?!

In my dreams I despise you  
More than you'll ever know.  
Even when I speak your name  
It makes me f\*\*king choke!

Bird..... YAYAYAYAYAYA!!!

Bird.....

Throw it back!  
Throw it back!  
Throw it back!  
Throw it back!

Throw it back!  
Throw it back!  
Throw it back!  
Throw it back!
