

Horse, Seven Tentacles And Eight Flames

im mesmerized
a servant to the light
a victim to the red and blue
green, yellow and white
lingering so lovingly
to the songs so gay i scream
brighter than the stars themselves,
sweeter than icecream

masses meld
the titans come
this crowd is torn asunder
to a quivering mass
they smiled down at me
devour my face and head

everything was washed away
into light. i wont break
light. this perfect light.
clean again. limited.

:music:

:screaming:
illuminated hungry smiles
caterpillars and crocodiles
rawrrr
light bulb. flash pulse. bright light bright night everyones f**ked!
light bulb. flash pulse. bright light bright night everyones f**ked!
things never change, only rearrange
like a suicide. its do or die
coming down again like a grain of sand
caught in your eye. now your blind.
