

Horse The Band, A Million Exploding Suns

I've forgotten who I am
I'm sick and weak and fresh from sleep
I crawl from a crooked bed
with dirty feet and shaky hands
the numbers on the clock read
one-one-four-oh- ay em
I've got tyme to clean myself
then sell my soul again
when I sleep I dream
I dream I am awake
or was it when awake
I dream I am asleep
I work I shit I eat I sleep
I'm inspected by the number 7
this can't be my life
no this isn't me

I don't know whats beset this change
I barely recognize my own face
in my mind somethings just not right
but in my heart I'm bathed in golden liliight
BATHED IN GOLDEN LIGHT!
BATHED IN GOLDEN LIGHT!

my eyelids still heavy my pulse still faint
I'm puzzle pieces- my memorys stained
I feel strength swell ----a day dream
i'm shaking under this duality
----- my pulse still faint
I hear a strange voice but don't know what it's saying

AND IN THIS MOMENT
seconds stop and I BURST with clarity
a wealth of love and hate-- gone blank
for I finally remember MY FUCKING NAME!

I EAT ROCKS
AND I BREATH WIND
I'VE BEEN AROUND THE WORLD
AND BACK AGAIN
I've lost the static
and the grey is gone
I've got the power of
A MILLION EXPLODING SUNS!!!!

I AM CONSUMED BY MY MIGHT
BLINDED BY LIGHT AS I WOULD BE IN NIGHT
THIS VOID IS HOLDING ME TIGHT
IT DOESN'T FEEL RIGHT

when will I ever break FREE
within or without I'm chained by the dream
THE VOID IS HOLDING ME TIGHT
IT DOESN'T FEEL RIGHT

when will I ever break FREE
within or without I'm chained by the dream
the void and the light are both me
IT DOESN'T FEEL RIGHT

bright lights flood my eyes
it's true
now i realize
the perilous truth

of a perilous life
by my own device
the strength of my high
is the strength of my low
unless theres no me
they both
they both explode
