

Hot Chocolate, It Started With A Kiss

SO YOU WIN AGAIN

Hot Chocolate

Just to admit one mistake

That can be hard to take

I know we've made them fall

But only fools come back for more

Being the fool I am

I figured in all your plans, darling

Your perfumed letters didn't say

That you'd be leaving any day

So you win again, you win again

Here I stand again, the loser

And just for fun you took my love and run,

But love had just begun

I can't refuse her

But now I know that I'm the fool

Who won your love to lose it all

When you come back, you win again

And I'm not proud to say

I let love slip away

Now I'm the one who's crying

I'm a fool there's no denying

When will my heartache end?

Will my whole life depend on fading memories

You took the game this time with ease

(repeat chorus)
