

# Hot Hot Heat, Bandages

Bandages on my legs and my arms from you  
Bandages, bandages, bandages  
Up and down on my legs and my arms from you  
Bandages, bandages, bandages

These bandages cover more than scrapes  
Cuts and bruises from regrets and mistakes  
I've been hoping you're moping around the street again  
I've been tripping from sipping the dripping dirty water tap  
I've been poking a voodoo doll that you do not know I made

These bandages are anonymity  
I've been shaking from making an awful decision  
I've been running and running  
Feels like my head is spinning round and round  
Around, around, around, around, around

Bandages on my legs and my arms from you  
Bandages, bandages, bandages  
Up and down on my legs and my arms from you  
Bandages, bandages, bandages

I've been hoping your moping around the street again  
I've been tripping from sipping the dripping dirty water tap  
I've been poking a voodoo doll that you do not know I made  
For you  
Of you  
Let's see what needles do

I've been shaking from making an awful decision  
I've been thinking I'm drinking too many drinks all by myself  
I've been running and running... feels like my head is spinning round  
And round and round, around, around, around, around

Bandages on my legs and my arms from you  
Bandages, bandages, bandages  
Up and down on my legs and my arms from you  
Bandages, bandages, bandages

Bandages on my legs and my arms from you  
Bandages, bandages, bandages  
Up and down on my legs and my arms from you  
Bandages, bandages, bandages  
Bandages, bandages, bandages

Don't worry now  
Don't worry now  
Don't worry 'cause it's all under control  
Don't worry now  
Don't worry now  
Don't worry 'cause it's all under control  
Don't worry now  
Don't worry now  
Don't worry 'cause it's all under control  
Don't worry now  
Don't worry now  
Don't worry 'cause it's all under control  
Don't worry now  
Don't worry now  
Don't worry 'cause it will all turn around  
Around, around, around, around, around, around, around
