

Hot Hot Heat, More For Show

A long, long time ago
It went exactly as I planned
'cause back then
We never played it safe
And she put on more for show
She put on more for show

Combustible at best
The rest just fell right in to place
Yes, in fact, that was the case
But when she sat down I felt seriously delirious 'cause
A tragedy at best
The less she cared about herself
No longer cared about her little self
And the reason that it took me
And she hooked me originally was all for show

For show (5x)

A dollhouse drawn in sand
The random look of dirty hands throwing out my plans
I felt seriously delirious and furious
'cause she put on more for show

For show (5x)

A long, long time ago
it went exactly as I planned
'cause back then she put on more show
Then so effortlessly lost her lust for dressing up
She's messing up she's no more fun
But now I know it
Had to be
Had to be
Had to be more

For show (9x)

Put it on
Put it on
Put it on
Put it on
Put it on
She put it on
Put it on
Put it
More for show
For show
