

Hot Hot Heat, Paco Pena

The empire's plan is in the windy city
Feeling like he does, he feels pretty shitty
His new hat just blew away
Can't hang it up for another day
You know what?
He's down and OUT, he lost his HAT

Paco Pena, no deniro
Paco Pena, He went loco
Paco Pena, He's down and out
Paco Pena, He lost his hat

The Middle East's beat
when you're in the wild
Lkie a red hot chile, you can't stay mild
My new hat just got shot off
What am I gonnna do?
Not a whole lot
