Hot Like (A) Robot, To Die For Glue

I took a change, for the first time And at a glance things were happy You want more than I can give And I would just die for you IT MAKES ME SICK TO SEE YOU STANDING THERE WASTING ALL THIS TIME You're not fooling anyone We're misjudged for the first time And it makes sense for the last time You want more than I can give And I would just die for you We still love you, we still owe you We still love you, for the last time I hope that you're comfortable
