

# Hot Rod Circuit, Save You

is this what it's like to feel  
somehow i forgot  
to mention  
i hope this isn't real  
at least you know you've got  
my attention

and i've been a ????  
foolin' up and lost  
seems that i have  
lost my self control

don't deserve  
(bop baa daa bop bop baa daa daa)  
an explanation  
(bop baa daa bop bop baa daa daa)  
don't approve  
(bop baa daa bop bop baa daa daa)  
a thing you do  
(bop baa daa bop bop baa daa daa)
