

Hot Rod Circuit, This Is Not The Time Or Place

Understanding,
Run right through my faith.
Neverending,
Sacrificing made.
Never worse at Golden Gate Park
in the presence of an officer,

Try not to act so young,
Where's the fun in trying.
Drives to nowhere are,
There's no turning back.
Sitting on the steps one night to save mars,
In the presence of an officer
which probably wasn't very smart

20 going on 21
