

Hot Rod Circuit, Two Hand Touch

focus why can't you just focus
focus all your time one thing at a time
question you answer me with questions
you answer me with lies one line at a time

running away
what's so funny this time (you run away)
what do you care if we're having a good time (its a two hand touch)

attention
i need your attention
although you never mention
you haven't any time
breaking
i'm feeling the resistance the complications start the breaking
of my heart full contact two hand touch
as i pull you to the ground again.
