

# Hot Rod Circuit, Versatility

You said I lost my touch  
Well it's coming back around again  
A dead solid rush  
When lay my eyes on you all the cool cool kids hanging around at the shows  
Again it doesn't matter to them when I get back home to you with a cool cool touch  
You saw me out the door again  
I know it doesn't mean much but I hope I gave you everything  
Do you know what kind of shape I'm in  
straight through the heart  
It seems impossible and you know that it's incredible.
