

# Hot Snakes, Kreative Kontrol

I'd raise welts for kreative kontrol  
I'd give up sex for kreative kontrol

Kreative kontrol  
Kreative kontrol  
Kreative kontrol

I'd drink piss for kreative kontrol  
I'd cut off my dick for kreative kontrol  
Bolt the toilets to the floor  
Making a run at the shithouse door  
Fuck the industry lockout  
It's an all-fucking-media knockout

Kreative kontrol  
Kreative kontrol  
Kreative kontrol

i'd cross the seven seas  
Join the merchant marines  
Contract a horrible disease  
I'd even say please

Ah, fuck it
