

Hot Snakes, Reflex

Reflex/I seen it coming
Reflex/coming too soon
Reflex/laugh if you wanna
Reflex/looks bad for you

Reflex/anticipation
Reflex/anticipate
Reflex/anticlimatic
Reflex/always too late

Whatever is coming
Ready or not
Reaction's slow
Reflexes shot

Everyone I know of
they all see the same
Just watch the reversals
Sucked in the jets
Sucked down the drain
