

Hot Soda Apparatus, Cheese

I like cheese on everything
Hot dogs, hamburgers, nachos too.
There is nothing I don't like
Except if you forget my cheese.

Colby jack, Gouda Mozzarella, Provolone
Limburger, Cheddar, those are the best.
I smother all my food with cheese.
When I order it, I always say "please";
When they bring it, I say "thank you!"

Micah, Micah, Amen
